

Dear Nashoba North Parents,

The following is a list of suggested accommodations for your trip to Maine. All of the locations listed below are suggestions and vary by price, quality and facilities. We encourage you to book now as the camp season is a busy time and many of the inns and hotels may have limited availability.

Some good resources to use as you start your search are the local chamber of commerce. For Portland you can go to www.portlnadregion.com. Closer to camp you can go to the town of Raymond website at www.ramondmaine.org or the Lakes Region Chamber of Commerce at www.mainelakeschamber.com. The Maine Innkeeper Association is another great resource. Their web address is www.maineinns.com
