Director's Corner

"April showers brings beautiful camp flowers" We are anxiously awaiting the arrival of our truly breathtaking Lady Slippers this spring.

April also marks the time for camp paperwork and setting your summer travel plans. Remember, Maine is a very popular summer destination so please don't delay. Our parent confirmation packets have been posted and you can now access these documents and more in our password protected section. We ask that if you have any session changes or are in need of camp transportation this summer to please inform us within the next two weeks.

Your continued support and word of mouth are instrumental to another outstanding summer. Openings remain in sessions so please tell your friends.

Happy Spring!
