Crescent Lake • Raymond, Maine

Director's Corner

Greetings and Happy Spring!

We are excited with the prospect of moving to camp next week. Our caretakers have been busy finishing up winter projects and are now moving on to mowing the fields, getting all our delicious well water turned on in the cabins and opening up the waterfront. We are thrilled to welcome back Tabor Academy rowers at the beginning of June for a training camp as they prepare for Henley. We are extremely excited to announce the launch of www.NashobaGatherings.com. Here you will see we are expanding the use of our beautiful campus. We are now open to pre and post camp groups for athletes, artists, weddings and retreats. Before camp starts we are open to the public for professional clinics www.nashobagatherings.com/clinics-1/. Check it out. We welcome your feedback.

As you prepare for the summer please feel free to call us with any questions. We hope to have the office open in Maine next week. As a reminder, please reference your Parent Handbook as a guideline for items to pack.

All the best,

Sarah Seaward, Director
