## Director's Corner

### Greetings from Maine,

As we enter our Columbus Day weekend I sit here admiring the busts of color our magnificent trees share with us here at camp. Presently our flag gently blows at half-mast outside Plummer Hall in remembrance of all the souls lost and injured this week. Nashoba North has offered solace to many over the decades and my wish is for everyone to find some inner peace in the time to come.

I would like to thank all the campers and parents who have taken time to send in their camp evaluations, this means the world to me and all our staff who strive to make each summer better than the one before. We have listened to your requests and have some great news!! **New** for 2018 is a [Rookie Week](#) for first-time campers completing grade 1 through 4: dates August 4 to August 10. Also expanded is our one week intensive horseback riding program called [Toppers](#) ~ it is now open to boys ages 9 to 14: dates August 11 to August 17. Lastly we have a two week option for new teen campers completing grades 6,7 & 8: dates July 22 to August 3. These will be limited in availability. Please call us with any questions and take advantage of early enrollment savings before Nov. 1<sup>st</sup>.

We will begin our transition back to our winter office in Massachusetts later this month and will keep you posted on our camper home visit schedule. I hope you will continue to follow my updates and photos on my private Facebook page. I look forward to sharing with you all that happens in Maine and in the Nashoba North newsroom.

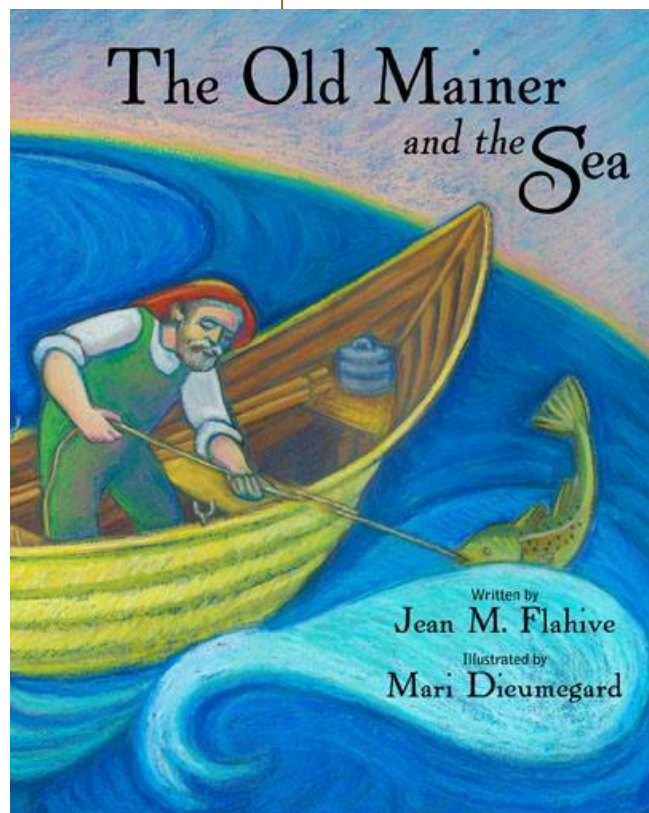

Have a great weekend and October!

All the best,

*Sarah Seaward, Director*

*We love to hear and see what our campers; as well as former counselors and staff are up too! Please share with us your recent adventures, accomplishments or gatherings with camp friends. When you take on a challenge, there is no telling how far you can go.

Look at challenge for what it's worth, an opportunity to test your limits.
